One Hit Wonders

A Monoprinting workshop with Catherine Nicholls of thr3fold journal. **\$200**

For anyone who's nervous of drawing, monoprinting is a perfect technique; this spontaneous approach to drawing is liberating and great fun! Monoprints are always individual, original and unique. This is not a technique for reproducing prints, even when you try, you'll never get two prints exactly the same! During this 2 day workshop we will explore monoprinting on both paper and fabric using acrylic paints and thickened dyes. Using your one hit wonders on paper we will try out some simple and very basic bookmaking techniques to create a small book. The monoprints on fabric will explore all the possibilities fabric and paint have to offer, and what to do with all those wonderful prints!

Sunday June 22 930-4

Katie Pasquini Masopust Art Quilt Masterpiece **\$375**

Create a well thought out Art Quilt Masterpiece! Start with an idea, a photograph, a sketch; create a strong composition using formal art considerations. Enhance this composition with the power of color, values and emotional impact. Decide what technique would best create your vision - appliqué, piecing, fusing, or a combination. In this class the student will gain confidence, learn to follow their intention, explore different techniques. Lunches and snacks are provided daily.
